Baltimore and Ohio or the Chesapeake of the civil service reform scheme.

He deeply regretted the recent have been the history of those years. Senator Carpenter read an extract commission. He knew, however, that there had been a great deal of clamor lately in support of this scheme, which had made it seem that people generally a base and malignant libel on the Baltimore and Ohio or the Chesapeake and Big Saudy road, was the coal of fire upon the terrapin's back of the Southern Security Bailway company. To defeat this mode of extending Mahoue's, Garrett's or Breckrnridge's lines, Tom Scott sought the mastery of the Memphis and Charleston road. The purchase of these little roads was, therefore, wise; but their sale or retention by the Memphis and Charleston company should not be suffered to decompany should not be suffered to decomplete. He stated in his inaugural address that the best way to secure the repeal of an obnaxious law was to execute it faithfully. Some persons had expressed surprise at the President consenting to give up the patronage, which his enemies said he was using for his own advantage, but the reason probably, was, that he knew he could afford to give his enemies many advantages. was, that he knew he could afford to give his enemles many advantages and Shreveport roads, within a week, will be controlled by parties inimical to the Memphis and Charleston road, and Tom Scott and his associates will have no recourse but to seek the west through Vicksburg to connect with the Southern Pacific line. How long after this will the Memphis and long after this will the Memphis and long after this will the Memphis and connected the second thought of the competition of the examination system, he said that he did not mean to decry learning.
